

# How to Add CommuteSMART App to Your Phone

## iPhone

- Grab your iPhone
- Open your browser (Safari)
- Go to [trips.commutessmartseacoast.org](http://trips.commutessmartseacoast.org)
- Select the share icon at very bottom of the screen (shown below)

- A menu will slide up
- Find an option called "Add to Home Screen" (see below)

- Select it
- Now close your browser
- And presto, a nice icon appears on your phone (look around, it should be there)
- Then you simply select that icon and it takes you to the website anytime you like

## **Android**

- Open your browser
- Go to [trips.commut SMARTseacoast.org](https://trips.commut SMARTseacoast.org)
- Log in into your account
- From your browser
- Select "Add shortcut to Home"
- Select "Add"

The CommuteSMART icon will now appear on your home screen. Just select the icon to use CommuteSMART!
