

## Sustainability Awards Breakfast—November 15, 2016

CommuteSMARTseacoast works with its partners to develop programs and events to help reduce congestion and improve air quality. We do this by encouraging carpooling, taking transit, bicycling, walking, or telecommuting.

We want to recognize your company! Complete this application and be celebrated at the Bronze, Silver, or Gold Level during our Sustainability Breakfast on Nov. 15th.

Return this form to [arugg@commuteSMARTseacoast](mailto:arugg@commuteSMARTseacoast) by Nov. 1st.

**Bronze Level:** Employer must perform five of the following activities:

Provide transit schedules on site or on company intranet.

Designate a point of contact on site for employee commute questions.

Host commuter events or health fairs with sustainable transportation vendors.

Include a direct link to commuteSMARTseacoast website.

Member of commuteSMARTseacoast.

Provide sustainable transportation information to new hires.

Participate in the Commute Smart B2B Challenge.

Office located on or near a bus line (within 1/4 of a mile).

Provide preferential parking for carpoolers or vanpoolers.

**Silver Level:** Employer must perform five of the Bronze Level activities and three of the following:

Offer bike sharing on site to employees.

Provide showers and/or lockers for commuters.

Send employees email about sustainable commuting options.

Sponsor a sustainability committee.

Create and implement a sustainability plan.

**Gold Level:** Employer must perform five of the Bronze Level activities, three of the Silver Level, and three of the following:

Host carpool formation meetings.

Sell transit passes on site.

Designated as a Bike Friendly Business by League of American Bicyclists.

Provide on-site car sharing.

Provide cash or other benefits for sustainable commuting.

Please list any other sustainable initiatives your company has implemented that aren't listed above.
